Freedom of Information Act 2000: Chancellor Meeting

Thank you for your Freedom of Information enquiry of 24 October.

You asked for the following information, in relation to a meeting between the Chancellor, Mark Hunter MP and Andrew Stunnell MP, regarding the proposed Manchester airport relief road extension:

- Minutes of this meeting and any records of actions taken by the Chancellor following the meeting.

I can confirm that we do not hold any information in scope of your request. The FOI Act only covers information relating to official business, and does not cover information relating to political activities.

We are also aware that we still owe you a response to an internal review you asked for at the start of this year, for case 11/1177. I am very sorry for the delay in providing you with a response to this review, which we will work to resolve as soon as possible.

If you have any queries about this letter, please contact me. It will be helpful to us if you remember to quote the reference number above in any future communications.
